POEM Welcomes Snug Cove Marina eTender

POEM members strongly support the eTender proposal by Transport for NSW for preliminary expressions of interest (EOI) from the private sector for the construction of a marina in Snug Cove, Eden.

Following the final EOI process a successful tenderer would receive a long term lease for the operation of a mixed-use marina in the Snug Cove Maritime Precinct (formerly the Snug Cove Safe Harbour Project)

Snug Cove is the only small port with a deep, all weather entrance between Sydney and Melbourne

POEM is a non profit Eden community association formed in 2010 to advocate for a Snug Cove marina as a major boost for tourism, the Eden economy and safety for local and transiting boaters.
